Find the square on the grid above by using the reference points to locate the first letter of each name shown below. For example, the first letter of the name Meshach "M" is in square A3. Start from A3 and go up, down, left or right to an adjacent square to find the next letter of the name. Carefully and completely shade in each square containing letters for all the names shown. Then shade in the squares with a cross † symbol to find the hidden message.
